Fishing Season is coming

For grades 4-8

It is time to think about our fishing unit in P.E and the field trip that follows the unit. Grades 4-8 participate in the fishing unit each spring. During the unit, these students learn to tie knots, identify fish, cast a reel, set up a fishing line, bait a hook, take a fish off a hook and release the fish safely.

When all this is accomplished we take a field trip to Oakwood Pond on Winfield Rd. (just north of the hospital.) Each class is assigned a day for their class' trip (see below.) On the day of the trip, your child is to be dropped in the a.m. (7:35-7:45) at the pond. At 11:00 a.m. when we finish, the class will walk, being escorted by at least 2 chaperones, back to school in time for their normal lunch session.

Each grade level needs chaperones to attend the field trip with the students. Chaperones don't need to have fishing experience but do need to have taken Protecting Gods Children and have a current background check on file at school. If you are available to chaperone your child's trip please let Mrs. Norton know ASAP. She can be reached at pnorton@sjbwinfield.org.
