FIELD DAY 2023

Volunteers Needed

Hello, Parents, Grandparents, Alumni Students,

Mrs. Norton is in need of at least 16 volunteers for Field Day.

Field Day is Wednesday, May 24. The majority of the volunteers are needed from 11:30-2:45, however a few are also needed in the morning to help set up. If you are available and have taken Protecting Gods Children (if you are 18 or older) and would like to join us, please email Mrs. Norton at

pnorton@sjbwinfield.org. Let her know in the email what hours you are available to help. Once again she has a fun filled "water afternoon" planned and needs many helping hands to make it a success. She is especially in need of at least 3 dads who can run the hoses and refilling 5 gal. buckets and delivering to stations in the parking lot.

Please consider spending the afternoon with your children and their friends and celebrating the end of a wonderful school year with us. Please respond now and mark your calendars.

Hope to see you then and thank you in advance.

This year, Mrs. Norton, Mrs. Brennan and Mrs. Brewer
are announcing Wednesday May 24th as

A DAY OF SERVICE

for the St. John's students!

One of the projects is collecting items for Alex's Bags! Alex's Bags is a
project started and run by SJB parishioner Alex McCall,
Mrs. Pierscionek's brother.

These bags will be filled with the items we collect
for the homeless in DuPage and Kane Counties
on May 24th!

Please be as generous as possible.

(This is also a great family project – discuss what it might be like to be homeless, not having a
bed to sleep in, a bathroom to shower, somewhere to get out of the hot sun, to have to carry
all of your possessions, and eat only the food others give you, etc.).

Items needed for Alex's Project Bags:

Preschool - children's socks, adult too if possibly

Kindergarten- Grab and Go packs-individual coloring books/crayons
(Target \$1), small note books, pens

1st – toothbrushes (individual size) toothpaste (travel size) dental floss

2nd – soap, shampoo (individual size)

3rd – individual snacks – sweet or salty, non-melting candy, gum,

4th – comb, brush, individual Kleenex packs

5th - suntan lotion, lip balm, mosquito repellent

6th – hand sanitizer (travel size)

7th - deodorant male/female

8th- bottled water

School's almost out for summer...

What can I do to prevent loss of learning during the summer?

The following SJB staff are available for summer tutoring:
