## **ADMISSIONS AND REGISTRATION**

### **POLICY 5110**

#### **NON-DISCRIMINATION**

Schools operated under the auspices of the Diocese of Joliet admit students of any race, color, sex, national and ethnic origin to all the rights, privileges, programs and activities generally available to students at the schools. Questions and/or concerns regarding discrimination in admissions should be directed to the principal (if applicable) the pastor (or parish administrator) and the Superintendent of Schools in the Diocese of Joliet. The names of the elementary and secondary schools can be found in the OFFICIAL CATHOLIC DIRECTORY, published annually.

#### **ADMISSION AND REGISTRATION**

Religious formation is a primary purpose of Catholic education. An interview with the principal to assess the religious and academic commitment of parents or guardians is customary. The SJB School Board sets forth the school admission policy. Copies of the admissions policy are available upon request.

### **POLICY 5130**

#### **ADMISSION AGES**

A child entering first grade must be six years of age (kindergarten, five years; pre-school three or four years of age respectively) on or before September 1 of that year. The verification of age with a birth certificate is presented at application time. The school maintains certified copies birth certificates for each student enrolled upon enrollment.

Registration for the next school year begins in mid-January. Registration materials are sent out to currently enrolled families and families seeking enrollment for the first time. A non-refundable pre-registration fee of \$100 is required. Notification of placement on a wait list is conveyed by February 15<sup>th</sup>.

Families are encouraged to register and become active, contributing members of St. John the Baptist Parish. SJB believes that active participation in parish life is an important element in the development of the student.

St. John the Baptist Catholic School is partially funded through tuition. Tuition rates are available for the current school year through the school office. The parish subsidizes all students' education and further financial assistance is available for qualifying families. Since fundraising contributes to the revenues of the school, each family is expected to participate to the extent they are able.

Priority of Admission is based upon the following:

- a. Families with students currently in St. John's Preschool through grade eight
- b. Families who wish to transfer students from the Parish Religious Education program
- c. Parishioners whose child is entering preschool and continues onto kindergarten and first grade.
- d. Parishioners registering students for the first time
- e. Families new to St. John the Baptist, who are registered parishioners, and belong to supporting parish (St. Mary Catholic Church/St. Irene Catholic Church)
- f. Families new to St. John the Baptist, who are practicing Catholics in another parish
- g. Non-parishioners who are transferring from another school or who are first time registrants.

The waiting list will not be maintained from year to school year except for siblings of currently enrolled students. Parents or guardians of all students on the waiting list must reapply to be considered for the following school year.
